## Background Summary

I am a highly motivated and personable freshman at Grove City College with extensive freelance experience in the IT industry. I create, upgrade and maintain computer systems and servers. Moreover, I design and implement rich web sites and dynamic web applications. My IT skill set includes a working knowledge of the following programming languages and design programs:

HTML/XHTML	CSS
PHP	MySQL/MSSQL/SQL
Adobe Flash	Wordpress
CMS Development	Dynamic Web Application Design
AJAX/XML/Javascript	Search Engine Optimization/Marketing
Java	Adobe Photoshop/Illustrator

To view my portfolio of projects, services and web sites, please visit <http://nbyfleet.com/>.
